

2024 Lights of Hope Luminaria Sponsorship

Cost: \$10 each

Get ready to ignite the night at the **4th Annual Lights of Hope** (formerly Forest of Hope)! Sponsor a personalized luminaria and help support our Social Services Assistance program. The grounds of Our House will come alive with the glow of many beautiful luminarias for one special evening you won't want to miss!

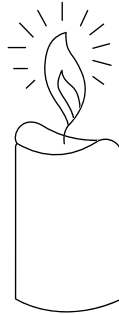

For over 30 years, Cancer Care has been dedicated to serving North Central Washington cancer patients. Each luminaria you sponsor will light the way for us to continue our assistance of these patients. Participants may purchase a luminaria at the event.

Join us Saturday, October 19th from 7-9 pm to celebrate hope and remembrance!
